4. Plan for return to play (Bill): Bill brought this topic up and discussed whether we should begin planning anything. It was agreed that there is nothing we can do at this point until further guidance comes from the State & County. USGAA are planning for the possibility of regional tournaments once things open up again.
  
5. Savannah GAA invitation (Matt): Matt discussed the invitation the club received to go to Savannah in September to play an exhibition match (Mike from Sullivan's is involved with this). M Paul noted that Savannah have not registered with USGAA yet and as such, cannot host anything.
  
6. Virtual Quiz recap: Ellen discussed the quiz, noting that it was a great success, and another is planned for the end of June. The club brought in \$760 profit from this event. Moving forward the format might be modified a little.

7. Any Other Business

- a. Gabe asked about polling players with regard to their level of interest in playing fall ball once the green light is given for this year---Bill said yes, we can get player input on this.
- b. Youth: Paul expressed his disappointment that more adult players were not involved in the youth virtual quiz (specifically the men's team). If the one club model is going to work, we need to support the youth.

8. Adjournment: Motion to adjourn made by Matt and seconded by Paul.

Time: 7:28 pm

Next meeting: Wednesday, July 8<sup>th</sup> at 7:00 pm.
