Discussion focused on utilizing the club YouTube channel to broadcast the quiz live. Cost will be \$20 per household payable via Venmo or PayPal.
 - b. Paul discussed purchasing face masks for club members—talked about whether to give them for free to members or charge. It was decided to give them to members for free. We will order 100 of the masks with our club logo on them.
 - c. Gabe showed off the new women's jerseys and shorts. The team will purchase only one set for this year due to the pandemic. Players will be asked to pick which set to order first.
 - d. Paul emailed in a youth report, as he had another conference call and wasn't sure he would join ours on time. The report is included below:

Youth update

The youth board had a zoom meeting last week.

Brian Kelley the youth secretary who was on the Pittsburgh quiz also and loved it, He wants the youth to do one as well that will be gear for kids as well. They will need a small fundraiser so I think it's a good idea. He is looking at questions now, what I told them was to do a practice one with 5 or 6 people to test it. I jumped on a zoom meeting Sunday with the girl in Pittsburgh who runs the Google doc for theirs. She is sending me a google doc for us to do it, I will forward to you Ellen when I get it.

Youth Video:

We are creating a virtual video of kids doing skills and passing the ball on to someone else. Derek's kids for example have picked 4 spots around buffalo, Bills stadium passing to Hockey arena etc. I did one at the falls catching a pass over the falls and passing it on. It will be great when it's done.

Facebook:

I would ask that we keep sharing all content from USGAA and USGAA Youth because it helps grow the sport everywhere. It's important for our pages but also for our personal pages. The post we have are for youth and adult.

5. Adjournment: Motion to adjourn made by Bill; seconded by Gabe.

Time: 7:42 pm

Next meeting: Wednesday, June 3rd at 7:00 pm
